EXPLAIN YOUR PROPOSED WORK

A drawing of the site plan is required with the application. This is to be done on a separate piece of paper. Items listed below must be included in the site plan to determine if a permit can be issued in accordance with the Douglass Township Zoning Ordinance.

- Dimensions of the property/parcel
- Location and dimensions of all existing structures
- Location of wells, septic tank & drain fields
- Distances (setbacks) from the front, rear and side property lines to buildings
- The desired location of proposed structures or improvement to the property
- Driveway location with distance to property line
- Names of roads, lakeshores, streams, easements or other right-of-way
- North arrow or other sufficient directional indicator on the sketch
- Height of building to be built

You must provide a copy of your property deed or proof of ownership
The proposed project must be staked out.

I certify that all information included in this application is correct and if found to be untrue this application and any approval will be void. I agree to give permission for officials of Douglass Township to enter the property for purpose of inspections.

I am the owner / agent / contractor / renter (circle one) and by signature authorize submittal of this application.
