BOARD MEETING
AGENDA. Cont.

2. Have Ron Redick look into helping us in hiring a qualified acoustic consultant who could assist us with drafting and review the sound-testing provisions of the Township's proposed WECS ordinance. He suggests:

Kerrie Standlee: 27 years as owner of DSA Acoustical Engineer, Inc. He has actually worked with the Spicer Group on a wind turbine project in Michigan. He works from a regulatory background. That is, his principal focus has been on drafting wind farm regulations for state agencies. Therefore he is not aligned with the wind industry - - he helps regulate them instead.

3. Wireless Deadbolt for South door.
4. Should the Township host a Covid-19 vaccination clinic?
5. Renewal of Insurance coverage.
Should we add Terrorism Coverage? Only an additional \$34.00
